The Primary PE Passport enables schools to show:

<b>INTENT</b>	<ul style="list-style-type: none"><li>• That all children can achieve the aims of the national curriculum through a broad, balanced and progressive curriculum</li><li>• A willingness of staff to adapt plans to meet the needs of individuals and groups- this might mean going back to plans programmed for younger groups to secure knowledge and skills</li><li>• A commitment from staff to develop children across different domains- physically, cognitively and socially and emotionally</li><li>• Children how to learn skills and knowledge and apply it.</li><li>• Delivery through the Principles of Assessment for Learning.</li><li>• Children experiences of traditional and 'new' sports.</li><li>• Careful monitoring of the progress of individuals, groups, classes and year groups</li></ul>
<b>IMPLEMENTATION</b>	<ul style="list-style-type: none"><li>• All children receiving 2 hours of high quality Physical Education each week regardless of the weather or other external factors</li><li>• A commitment that all children are active. Spare kit in each class means no children misses PE</li><li>• Inclusivity by putting support for children with SEND in line with other subjects and differentiating using STEP.</li><li>• That children unable to take part are included by involving them in activities related to the lesson e.g. umpiring.</li><li>• A range of teaching styles and strategies to deliver the curriculum</li><li>• Children different challenges e.g. 6 v 4 to develop skills, knowledge and behaviours.</li></ul>
<b>IMPACT</b>	<ul style="list-style-type: none"><li>• Children's progress in different domains of learning</li><li>• Parents the levels of attainment and achievement of their children verbally and/or in writing</li><li>• How to improve. Specific targets to be set and measured</li><li>• How to improve. Support and challenge to be provided for learners.</li><li>• That all children's achievements are valued.</li></ul>

# Primary PE Passport Skills and Knowledge Progression©

This document has been produced to assist PE leaders in planning a broad, balanced and progressive curriculum. The document enables staff delivering PE to see where the children have come from and where they are going next.

- The skills and knowledge taught in the PE Passport are broken down and tracked across the age range from EYFS through to UKS2. NB. If catching is a key skill in EYFS it won't be mentioned in subsequent phases unless the type of catching skill i.e high catching changes.
- Where children cannot access a unit because the level of challenge is too high please use material from previous year groups but don't forget to assess children's prior knowledge before fine tuning the planning.
- Units do not have to last 6/7 weeks. You can extend units to secure deep learning or run units for shorter periods where children are already skilled in that area.
- Key questions and assessment outcomes are highlighted for each unit
